

Yaser Mansouri

School of Computer Science
Centre for Research on Engineering Software Technologies (CREST)
The University of Adelaide, Adelaide, Australia
yasermansouri90@gmail.com

RESEARCH INTERESTS

Big Data, Cloud Computing, Edge Computing, IOT

Currently, I am working on SQL and NoSQL databases evaluation on public and hybrid cloud infrastructure in Centre for Research on Engineering Software Technologies (CREST) at The University of Adelaide.

ACADEMIC CREDENTIALS

PhD, Computer Science and Software Engineering

The University of Melbourne, Melbourne, Australia Aug. 2012 - Feb. 2017
Thesis: Data replication and migration across cloud computing
Supervisor: Prof. Rajkumar Buyya

Master of Software Engineering,

Ferdowsi University of Mashhad (FUM) ,Mashhad, Iran Sep. 2006- Jan. 2008

Bachelor of Software Engineering,

Shahid Beheshti University, Tehran, Iran Sep. 1998- Jun. 2003

WORK Experience

Researcher

School of Computer Science,
Adelaide University, Adelaide, Australia Oct. 2018 - now

Researcher

Department of Computer Engineering,
Qatar University, Doha, Qatar Dec. 2017 - Sep. 2018

Researcher

School of Computing and Information System,
The University of Melbourne, Melbourne, Australia Mar. 2017 - Nov. 2017

Lecturer and Researcher

Department of Engineering,
Azad University, Bushehr, Iran Jul. 2009 - Aug. 2012

Lecturer-Part Time

Department of Engineering,
Azad University, Shirvan, Iran Apr. 2007 - Jun. 2009

PUBLICATIONS

Journals

1. **Yaser Mansouri** and M. Ali Babar, “The Impact of Workload and Database Setting Parameterizations on the Performance and Resource Utilization of Distributed Databases”, Journal of Parallel and Distributed Computing (JPDC), 2023. (under revision)

2. **Yaser Mansouri**, Faheem Ullah, Shagun Dhingra, and M. Ali Babar, “Design and Implementation of Fragmented Clouds for Evaluation of Distributed Databases”, IEEE Transactions on Cloud Computing (TCC), 2023 (Recently accepted).[**IF:5.69**]
3. **Yaser Mansouri**, Victor Prokhorenko, Faheem Ullah, and M. Ali Babar, “Resource Utilization of Distributed Databases in Edge-Cloud Environment”, IEEE Internet of Things Journal, vol. 10, no. 11, pp. 9423-9437, 2023.[**IF:10.23**]
4. **Yaser Mansouri** and M. Ali Babar, “The Impact of Distance on Performance and Scalability of Distributed Database Systems in Hybrid Clouds”, Journal of Systems and Software (JSS), 2020 (Minor revision).[**ERA A, IF:2.45**]

Books

1. Yaser Mansouri ,A series of multiple choice tests in data base for computer engineering ,1th press, 2009,in Persian.
2. Yaser Mansouri ,A series of multiple choice tests in discrete mathematics for computer engineering, 3th press, 2007, in Persian (Editor).

AWARDS and Honors

- **International Postgraduate Research Scholarship (IPRS)** Aug. 2012
First Class Scholarship from Australian Federal Government
The University of Melbourne, Melbourne, Australia
- **Australian Postgraduate Award (APA)** Aug. 2012
First Class Scholarship from Australian Federal Government
The University of Melbourne, Melbourne, Australia
- **Two Research Funds** Jun. 2009-1010
Optimization cost of Data Replication in Data Grids
Azad University, Booshehr, Iran, \$10000
- **Ranked 1st among MSc.** Jan. 2008
School of Engineering, Computer Engineering
Ferdowsi University of Mashhad (FUM), Mashhad, Iran

- **Research Fund** Jun. 2007
Data replication in Tree-network Data Grid Structure, Telecommunication Research Center, Tehran, Iran, \$8000
- **Ranked 180th among about 200,000 Computer Engineer** Mar. 2006
In National Entrance Exam for Graduate Studies in Software Engineering Major, Iran
- **Ranked 980th among about 500,000 high school students** Mar. 1998
In Nationwide University Entrance Exam in Engineering and Science, Iran.

SKILL SETS

- **Programming Languages**
 - Python, Java, C++, C, R
- **Big Data Frameworks**
 - Azure HDInsight Big Data Framework (Hadoop, Apache Spark, Apache Kafka, HBase, Hive, and Storm)
 - Amazon EMR Big Data Platform (Apache Spark, Apache Hive, Apache HBase, Apache Flink)
 - Cloud Architecture (AWS and Microsoft Azure)
 - Terraform open-source infrastructure as code software tool
- **Databases**
 - Relational (SQL server) and NoSQL databases (Mongo, Cassandra, Redis)
- **Operating Systems**
 - Linux and bash scripting

Licenses & certifications

- AWS Certified Solutions Architect
- Microsoft Azure Data Engineering Associate Professional Certificate
- Introduction To Computer Science And Programming In Python, MIT Uni

Journal Reviewers

- IEEE Transactions on Parallel and Distributed Systems (TPDS)
- IEEE Transactions on Knowledge and Data Engineering (TKDE)
- ACM Transactions on Storage (TOS)
- ACM Computing Survey

LANGUAGES KNOWN

English (IELTS 7), Persian (Mother Tongue)
